MEDICATION AND MEDICAL NEEDS!

- Many of our students for various reasons (e.g. asthma, allergies, etc...) may require the School Nurse to administer medication during the school day; as a result, it is **VERY IMPORTANT** that we not only have the necessary completed Doctor's Order on file, but also the medication that can be administered to your child.
- If your child requires an inhaler for asthma, has food allergies and requires an epipen, etc... please make sure that the School Nurse is made aware of this.
- Please note that students CAN NOT self-medicate while they are in school.
- We want to ensure their medical wellbeing and **MUST** have the necessary documents and medication on file in order for the School Nurse to administer the medication.
- Please note that if we DO NOT have the necessary documents and medication on file and it has been determined that your child requires IMMEDIATE medical attention outside of the local school, we will call 911 and have your child transported to the nearest medical facility.
- Please contact the school nurse to secure the forms that your child's doctor will need to complete, as well as, if you have questions or concerns.
- ALL medication MUST be brought in by the parent and given DIRECTLY to the School Nurse.

The Change in Seasons and Student Arrival to School

Patterson Parents

The weather is beginning to change and as a result, we do not want our students standing out in the cold, rain, sleet or snow. With that said, we ask that you not send your child to school until the school doors open daily at 8:10 a.m. Thank you!

**WE NEED
YOUR HELP**

Parents and guardians we are asking your assistance with minimizing the disruption of instruction during the school day. As a result, students will not be dismissed from school during the instructional block after 2:30 pm but will be available for pick-up during the normal dismissal time of 3:15 pm. Thanking everyone in advance for your cooperation with this matter.

ATTENTION FIELD TRIP CHAPERONE PROCESS
