"NO CELL PHONE POLICY"

This year, Patterson will be instituting a "No Cell Phone Policy" while students are in school. Students will be required to:

1. Turn in their cell phones when they arrive to school. Phones will be signed in by the student, stored and locked up in the main office by a school administrator.
2. Phones will be returned to students prior to their leaving at the end of the school day.
3. Should a student need to contact their parent, they may utilize the phone in the main office.

If a student is found to have a cell phone in their possession during the school day, it will be:

1. Confiscated by an adult and turned in to a school administrator.
2. Cell phones will not be returned to the student.
3. Cell phones can **ONLY** be picked up by the parent. Family members (e.g. Older Siblings, Aunts, Uncles, Cousins, etc...) **WILL NOT** be permitted to pick up a students' phone on behalf of the parent.

Students caught videotaping fights, etc..., in accordance with the DCPS Chapter 25 Discipline Policy, will be suspended from school for their actions.

OR

Parents, you may elect for your child NOT to bring a cell phone to school at all.

Please remember not to send balls, toys, games, cellphones or personal items with students. Staff WILL NOT be responsible for any loss, stolen or broken items!!!

Attendance Matters at Patterson!!

Please make sure your child is present and accounted for each day!!
If your child is late or going to be absent, please provide a note to excuse your child for the day.
Questions? Please see the main office.

Student Safety Matters at Patterson!!

Please note that no student will be released to an adult for pick-up who is not listed on the SY 2018-2019 Annual Enrollment Form. Please update your child's annual enrollment form if there are any changes pertaining to phone numbers, parental contacts and emergency contacts. Parents **MUST** come into the school add names of person approved to pick up child to emergency form.
Questions? Please see the main office.

MEDICATION AND MEDICAL NEEDS!

- Many of our students for various reasons (e.g. asthma, allergies, etc...) may require the School Nurse to administer medication during the school day; as a result, it is **VERY IMPORTANT** that we not only have the necessary completed Doctor's Order on file, but also the medication that can be administered to your child.
- If your child requires an inhaler for asthma, has food allergies and requires an epipen, etc... please make sure that the School Nurse is made aware of this.
- **Please note that students CAN NOT self-medicate while they are in school.**
- **We want to ensure their medical wellbeing and MUST have the necessary documents and medication on file in order for the School Nurse to administer the medication.**
- **Please note that if we DO NOT have the necessary documents and medication on file and it has been determined that your child requires IMMEDIATE medical attention outside of the local school, we will call 911 and have your child transported to the nearest medical facility.**
- Please contact the school nurse to secure the forms that your child's doctor will need to complete, as well as, if you have questions or concerns.
- **ALL medication MUST be brought in by the parent and given DIRECTLY to the School Nurse.**

The Change in Seasons and Student Arrival to School

Patterson Parents

The weather is beginning to change and as a result, we do not want our students standing out in the cold, rain, sleet or snow. With that said, we ask that you not send your child to school until the school doors open daily at 8:10 a.m. Thank you!

**WE NEED
YOUR HELP**

Parents and guardians we are asking your assistance with minimizing the disruption of instruction during the school day. As a result, students will not be dismissed from school during the instructional block after 2:30 pm but will be available for pick-up during the normal dismissal time of 3:15 pm. Thanking everyone in advance for your cooperation with this matter.

ATTENTION FIELD TRIP CHAPERONE PROCESS

Patterson Parents, did you know that DCPS has a policy as it relates to anyone wanting to volunteer in the school, as well as, accompanying their child on a trip? All persons that wish to volunteer in the school or go on field trips with students, MUST complete and clear the volunteer application process. Please know that we want you to join in and support ALL of our school-wide efforts, so we ask that you take the time to complete the Volunteer Application Process. Should you have any questions or concerns, please contact Ms. Monica Bibbs at 202-939-5280. Thank you!

Dear Parents,

The **Patterson Elementary School SCIENCE FAIR** is **Thursday, May 2nd at 9:30am** in the auditorium. There will be three individual winners from each grade: 3rd, 4th, and 5th. In addition, judges will select the 3 best class projects from pre-school through 2nd grade classes.

Participation in the Science Fair is mandatory for 3rd-5th grade students. Your child's science fair project effects his/her fourth advisory science grade. Please give your child the time and resources to work on his/her project at home.

On the back is the *2019 Science Fair Timeline*. The classroom teacher will give guidance and feedback, but this is a home-based project and all experiments are to be done at home.

Students in grades 3-5, may purchase a science board with headers. Science Fair board with header cost \$5. We have limited supply of boards so please pay your \$5 as soon as possible.

Thank you for your support and cooperation.

Sincerely,

JoAnn Cornish,
2019 Science Fair Co-Chair

Ronnelle Turner Donahue,
2019 Science Fair Co-Chair

March 1st – March 15th

All students and teachers create a mini class science fair project or students and teacher explore the components of a science fair project and the Scientific Method. Additionally, all 3rd – 5th grade students should select a proposed science fair topic during this time.

March 1st – March 15th

Student:

- Student decides what the science fair topic will be
- Develops testable question (problem statement)
- Develops hypothesis
- Identifies Variables (Independent, Dependent, Constant)

March 16th – April 6th

Student:

- Identifies materials needed for investigation
- Writes (or copies) procedure and begins experiment
- Receives science fair board and headers
- Continues Experiment and ON-GOING OBSERVATIONS
- Collect and organizes data into tables and graphs
- Begins Conclusion
- Begins to prepare display board. **3rd – 5th Grade STUDENTS TAKE SCIENCE FAIR BOARDS HOME. Boards w/header costs \$5.**

April 9th – April 20th

Student:

- Completes Conclusion and all components of display board (problem, hypothesis, materials, procedure, data, tables, graphs, pictures, results, conclusion)

April 23rd – April 30th

Student:

- Completes assembly of display board
(Check and double check. Read and reread!)

May 2nd

Student and class projects are due to Ms. Cornish or Ms. Donahue by 3:30pm on May 1st. Projects submitted after 8:30am on May 2nd will not be considered for judging and 10 points will be subtracted from the overall grade.

SCORING RUBRIC

Judges will score projects 0 – 4 (Zero is the lowest number of points. 4 is the highest) in the following areas:

Clear & Specific PROBLEM & HYPOTHESIS

Is CONCLUSION supported by DATA

Is topic or approach original

Level of difficulty/challenge for grade level

Does student demonstrate a thorough understanding of their project?

Clear & Thorough PROCEDURE & DATA*

Is CONCLUSION relevant to HYPOTHESIS

Appearance of display

**Can student clearly explain their project?

* DATA includes logs, graphs, tables, & photos.

** Teachers must select 1 or 2 students to present their class project to the judges.

-
- Science Fair & Judging on Thursday, May 2nd
 - 1st, 2nd, and 3rd place student winners in each of the grades: 3, 4, and 5.
 - 1st, 2nd, and 3rd place class awards to the top 3 pre-school through 2nd grade projects

All projects will receive a certificate for participation. Third-fifth grade students will also receive a project grade from the judges. Grades will be given to the homeroom teacher.

Remember: This grade will be factored into the 4th Advisory SCIENCE report card!

Parents may view projects on the morning of May 2nd prior to judging at 9:30am and/or outside of classrooms until May 10th..
