MEDICATION AND MEDICAL NEEDS!

- Many of our students for various reasons (e.g. asthma, allergies, etc...) may require the School Nurse to administer medication during the school day; as a result, it is **VERY IMPORTANT** that we not only have the necessary completed Doctor's Order on file, but also the medication that can be administered to your child.
- If your child requires an inhaler for asthma, has food allergies and requires an epipen, etc... please make sure that the School Nurse is made aware of this.
- **Please note that students CAN NOT self-medicate while they are in school.**
- **We want to ensure their medical wellbeing and MUST have the necessary documents and medication on file in order for the School Nurse to administer the medication.**
- **Please note that if we DO NOT have the necessary documents and medication on file and it has been determined that your child requires IMMEDIATE medical attention outside of the local school, we will call 911 and have your child transported to the nearest medical facility.**
- Please contact the school nurse to secure the forms that your child's doctor will need to complete, as well as, if you have questions or concerns.

First Day, Every Day

At DC Public Schools (DCPS), it is our goal to ensure that every student achieves academic success by being present at school **every day** and **on time**. Students who have regular school attendance learn more and are more successful in school.

DCPS has shifted focus from monitoring *only* unexcused absences to *all* absences by tracking **In-Seat Attendance** (ISA). Some absences are unavoidable, but when children miss too much school - **excused** or **unexcused** - they can fall behind.

A missed day is a lost opportunity for learning. Let's make regular attendance a priority!

Is Attending School Required?

Yes, attending school is required by law! All students who reach five years of age on or before September 30th of the current school year must attend school every day until they meet high school graduation requirements or reach their 18th birthday.

What Is Truancy?

Truancy is the unexcused absence from school by a minor (5-17 years of age) with or without approval, parent knowledge or consent.

Which Absences Are Excused vs. Unexcused?

Excused absences are when school-aged students are absent from school with a valid excuse and parental approval. **Excused absences** include:

- Student illness (a doctor's note is required if a student is absent for more than 5 days);
- Death in the student's immediate family;
- Necessity for a student to attend a judicial proceeding as a plaintiff, defendant, witness or juror;
- Observance of a religious holiday;
- Temporary school closings due to weather, unsafe conditions or other emergencies;
- Medical reasons such as a doctor's appointment (a doctor's note is required);
- Failure of DC to provide transportation where legally responsible;
- Visiting a parent in the military;
- Emergency circumstances approved by DCPS.

Excuse notes must be submitted within 5 school days in order to be processed.

Unexcused absences are when school-aged students are absent from school without a valid excuse, with or without parental approval. **Examples of unexcused absences** include:

- Family Vacation
- Babysitting
- Shopping
- Doing errands
- Oversleeping
- Cutting classes
- No clean uniform
- Parent's illness

Students who miss 20% of the day will receive an absence for the full day.

What Happens When A Student Misses Unexcused Days?
