# "NO CELLPHONE OR ELECTRONIC DEVICE POLICY"

This year, DC Public Schools will be instituting a "No Cellphone, Electronic Device Policy" while students are in school. Students will be required to:

1. Turn in their cellphones when they arrive to school. Phones will be signed in by the student, stored and locked up in a cellphone locker maintained in their classrooms.
2. Phones will be returned to students prior to their leaving at the end of the school day.
3. Should a student need to contact their parent, they may utilize the phone in the main office.

If a student is found to have a cell phone in their possession during the school day, it will be:

1. Confiscated by an adult and turned in to a school administrator.
2. Cellphones will not be returned to the student.
3. Cellphones can **ONLY** be picked up by the parent. Family members (e.g. Older Siblings, Aunts, Uncles, Cousins, etc...) **WILL NOT** be permitted to pick up a students' phone on behalf of the parent.

Please note that DCPS nor the Patterson Staff are responsible for lost, stolen or broken/damage cellphones or electronic devices (e.g. watches, iPads, etc...

It is HIGHLY suggested that students NOT bring cellphones or electronic devices to school.

## **Attendance Matters at Patterson!!**

### **DC Public Schools has a new ATTENDANCE POLICY (60/40 Rule)**

For the 2025-2026 school year, DC Public School (DCPS) elementary school will implement the "60/40" attendance policy as required by the DC Office of the State Superintendent of Education (OSSE). This means if your child attends school for less than 60% of the day, it will be tracked as 60/40 absence. This applies to both excused and unexcused absences.

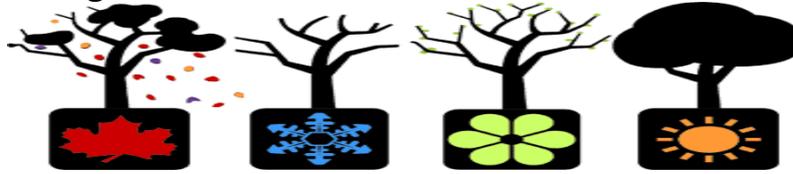

# MEDICATION AND MEDICAL NEEDS!

- Many of our students for various reasons (e.g. asthma, allergies, etc...) may require the School Nurse to administer medication during the school day; as a result, it is **VERY IMPORTANT** that we not only have the necessary completed Doctor's Order on file, but also the medication that can be administered to your child.
- If your child requires an inhaler for asthma, has food allergies and requires an EpiPen, etc.... please make sure that the School Nurse is made aware of this.
- **Please note that students CAN NOT self-medicate while they are in school.**
- **We want to ensure their medical wellbeing and MUST have the necessary documents and medication on file in order for the School Nurse to administer the medication.**
- **Please note that if we DO NOT have the necessary documents and medication on file and it has been determined that your child requires IMMEDIATE medical attention outside of the local school, we will call 911 and have your child transported to the nearest medical facility.**
- Please contact the school nurse to secure the forms that your child's doctor will need to complete, as well as, if you have questions or concerns.
- **ALL medication MUST be brought in by the parent and given DIRECTLY to the School Nurse.**

**Please note that students CAN NOT self-medicate while they are in school.**

## The Change in Seasons and Student Arrival to School

### Patterson Parents

The weather is beginning to change and as a result, we do not want our students standing out in the cold, rain, sleet or snow. With that said, we ask that you not send your child to school until the school doors open daily at 8:40 a.m. Thank you!
